

Traffic Duty

Thank you for your help in keeping our kids safe! Please show up on time (8:15) and stay until the end of your shift (8:35). If you are unable to make your assigned shift please trade shifts with another parent and use the SignUpGenius to swap duties.

For Loop Duty (Positions 1-4)

Please spread out along the south side of the parking lot, trying to stay east if possible to keep cars moving toward the exit.

Do not open a door until a car turns and in the lane to exit the parking lot.

For Big Toy Duty (Positions 5-6):

Parents should stand as far to the north as possible (near the fire hydrant) to encourage drivers to pull as far forward as possible to unload.

If traffic backs up, parents can move south to open doors as needed.

On occasion, the family that lives across the street needs to leave so we will try to stop traffic to make their exit a bit easier.

ASB families parking across the street and walking may need reminders to use the crosswalk at either end of the block.
