

Assumption St. Bridget School Referral Incentive Program

June 2015

Any current Assumption-St. Bridget family member, alumni, or faculty member that is noted as the referral source for a new placement during the current school year will be credited one student's monthly tuition. The tuition rate will be that of the referring family's oldest student. This referral must be noted on the application accepted by ASB for that new student's placement. If multiple families are noted as the referral source that monthly tuition will be divided evenly between all families listed on the application. This credit will be applied to the month following the start date of the new student.

(The Referral Incentive Program is not applicable retroactively.)
