

ASB School Uniform Code

2018-2019 School Year

Students are to be in uniform each day, unless it is designated as a Free Dress Day. We ask parents to support and enforce this uniform code by monitoring their children's clothing and appearance. If a student is consistently out of uniform, parents will be asked to bring Uniform Code compliant clothing to school. The Uniform Code gives ASB and students a positive and distinctive Catholic charism and reflects the values of our school and community. The uniform is also a visible signature of our school to the larger community, and serves as a reminder to the wearer of their representation of ASB.
